• **Treasure's report:**

○ Coti reports that the treasury \$1126.06

○ Coti brought up concerns about booking Brushwood for 2023. In the past Brushwood fees were \$675 for 3 days and with recent low turnout she only collected \$310. The remaining amount has to be taken from the treasury. Members in attendance discussed the issue and decided to book one day in February, March, October and November.
