Items to discuss:

Eve: Cookbook, printing updates is a few pages, but an entire cookbook is a lot of pages now. Eve made new cookbooks for all new members, each cookbook over 100 pages. Cost of printing is expensive. Coti offered to help print and hole punch. Eve bought all supplies, each new cookbook costs \$16. Lucy helped print pages. Going forward, Lucy will put recipes on guild website. Guild will reimburse Eve and Lucy for expenses.

Lucy: New group email, send messages to group [ccquiltguild@googlegroups.com](mailto:ccquiltguild@googlegroups.com)

Website is [www.ccquiltguild.org](http://www.ccquiltguild.org)

Contact Lucy with any questions

Marilyn: 2024, 9/15-9/19, 2025 9/14-9/18 Inn at Amish Door Retreat dates, deposit \$200, half of deposit is nonrefundable.

Like close location of rooms, but a bit expensive. Do we want to look for new places? Need a committee to look into alternatives. Comfort Inn in Berlin has large conference room. For new rooms, questions to ask: is there a minimum number of rooms needed, do we pay for conference room, is rate same every day, is there a kitchen or outside food allowed, number of outlets and tables and chairs?

What if we go to Amish Door for fewer days? Individuals can choose to come for fewer days if they choose.

Like short walk to rooms at Inn at Amish Door, but kitchen space isnt great.

Like Somewhere Sewing, only negative is driving to hotel rooms.

Kathy will check into details at Comfort Inn conference room. If anyone else wants to look into an alternative location, gather details and present to group in October.

Meeting Times: daytime is hard for a few members, if we want to meet during the day we would have to meet elsewhere. Hudson Library is an option.

Saturday sewing days, still a good idea? Jackie will check on available dates at Hudson Library for Oct and Nov, then check to see which members want to go.

Board Elections: Many board members do not want to continue, so many open positions. President, Treasurer, Secretary, Vice President will be open. Elections will be in November. Need many members to come to Nov meeting to vote for board positions.

December Christmas Party is on Dec 12 at d'Angelo by George's Donuts, 6:30pm. Committee will be planning decorations and favors. Gift exchange, \$15 limit, bring a gift and get a gift.

If you have program suggestions, please share with us. Judy B doll presentation, Ruth Ann Baumann has another presentation. Please get the cost of a new program approved before committing. Source of speakers on NEORQC site. Maybe some quilt themed games after a meeting. Japanese fabric wrapping, by Kathryn. Coti and/or Kathy K present on Bargello Quilts.

Dianne: volunteering, many long time members have already served as board members. Time for new members to take a turn, give others a break.
